

Horse Logic Ranch Riding Jackpot Procedures and Rules 2020

Again this year Horse Logic has agreed to sponsor the Ranch Riding Jackpot. They are guaranteeing \$1,250 to be added to the end-of-year jackpot, and in addition they have developed a “Rebate” program which has the potential to significantly increase the end-of-year added money. For every purchase of a Horse Logic product made by a CoWN member Horse Logic will rebate a certain percentage of those sales back to CoWN and 100% of that rebate will be added to the end-of-year paybacks.

The format for the Horse Logic Ranch Riding Jackpot will be the same as last year. There will be preliminary jackpots at at least 3 shows shows, The Paint Brush, Wyoming State Fair and a final Jackpot at Winterfest plus the end of year payback. We hope to be able to add a forth jackpot in the fall.

The entry fee will be \$30 per show, and will be divided as follows, \$10 to the jackpot for that show, \$10 added to the end-of-year paybacks and \$10 to CoWN for administrative costs. There will be three divisions, Open, Amateur and Youth. Amateur and Youth will be based on a horse-rider team while the Open will be based on the horse, irrespective of the rider.

In the past there were 2 go-arounds at each show. in the interest of time in 2020 there will only be one go-around at each show.

There is no minimum number of shows that an individual must compete at to be eligible for the year-end jackpot.

Various AQHA Ranch Riding patterns will be used.

CoWN memberships is required to enter the Jackpots.
