Warm-Up Arena Etiquette

- Always go with the flow of traffic. If the arena is large enough for two sets of circles, follow the diagram. If the arena only has space to lope one circle, ask others when you want to change directions. Most people will oblige.
- **NEVER** stop your horse in traffic, and **ALWAYS** look behind you before you stop or slow down.
- Always look where you are going, and watch out for other riders.
- Don't tie horses in the warm up arena.
- No cell phones, headphones or ear buds in arenas.
